Mayor Chapman called the meeting to order at 8:04 p.m.

Item for discussion was an agreement between the Lions Club of Lac du Bonnet and the Town of Lac du Bonnet regarding the development of the Lions Park.

Each item on the agreement sent to us from The Lion's Club was discussed and through a consensus of council was agreed upon or denied.

A new final Agreement was made up for the Council to present to the Lions Club.

Discussion took place on trying for various government grants to help out the Lions Club but then you would still need to pay 50% or more of the final total.

Consensus of council was that if the Lions will not take the responsibility for cutting the grass and doing the necessary upkeep then the property will revert back to the town.

Council will look over the agreement after all changes have been made and will present it to the Lions Club thereafter.

Meeting adjourned at 9:09 p.m.
